## VISION

We are building Guyana's future through strategic partnerships for a brighter, more prosperous future for our local and international clients, partners, and the communities that we serve.

## VALUES

We are building a diverse team, committed to working with integrity for all of our stakeholders.

## OUR COMPANY

Excel Guyana's leadership team has been growing companies in Guyana and the CARICOM region for more than three decades. We are building Guyana's future through strategic partnerships that elevate our local and international clients, partners, and the communities that we serve.

With the government's commitment to creating an investment-friendly climate for international investors, Excel is steadfast in further boosting development initiatives by supporting the growth of local and international investors.

In 2022, Excel became the first Guyanese company to achieve an Integrated Management Systems Certification through the coordinated implementation of three ISO Systems: **ISO 9001:2015** Quality Management System, **ISO 45001:2018** Occupational Health and Safety Management System, and **ISO 14001:2015** Environmental Management System.

This strategic decision affirms Excel's commitment to providing reliable, high-quality service in a safe and healthy work environment.

## PROCUREMENT & SUPPLY CHAIN MANAGEMENT

Excel provides factory-direct access to everything our clients need to build their business and support Guyana's growth. We are serving the country's fastest-growing industry segments including Oil and Gas, Agriculture, Construction, Infrastructure Development, Offshore Operations and Mining. Through our factory-direct partnerships with world-class suppliers, Excel will customize a reliable and sustainable supply chain solution, providing the highest value products quickly and efficiently.

## CUSTOMS BROKERAGE

Excel's clients can reduce acquisition costs with a professional end-to-end supply chain management and streamlined customs brokerage service. Our team of experts are highly knowledgeable about air & ocean shipping, classification, valuation, duties and taxes imposed on imports and all other logistics related services.

Our team will ensure that your shipments are expedited through the appropriate channels and arrive promptly at the intended destination.

## RECRUITMENT PROCESS OUTSOURCING

As a Recruitment Process Outsourcing Partner, Excel proactively recruits qualified and skilled candidates to help clients build a diverse team of executive professionals, skilled administrative support, and trade labor workers that are invested in our client's success.

## HR, PAYROLL & IMMIGRATION

Excel understands the value of human resources to organizations; thus, our team closely follows local legislations to ensure our clients stay in compliance, managing both recruitment of local talent and documenting the immigration of specialized talent from around the world. Excel's comprehensive support system assists your team with expert accounting to facilitate payroll services, obtaining work permits, securing travel arrangements, providing executive security, and employee relocation.

## GOVERNMENT RELATIONS

Excel helps clients establish and maintain positive relations with government agencies and the local business community. Through our leadership, we help clients launch operations efficiently and build the systems to ensure long-term success.
